The Upper Lake, although smaller, has far grander scenery than the other lakes of Killarney. It is studded with numerous small islands, and encircled by mountains covered with sylvan foliage, rising abruptly from the water's edge, the whole forming a most beautiful and delightful panorama.

The Upper Lake. Although Killarney has far more scenery than the other lakes of Kerry, it is surrounded with numerous small islands and enclaves. The mountains are covered with sylvan foliage, rising steeply from the water's edge, the whole forming a most beautiful and delightful panorama.
